Dear Ms. Scarborough,

I was very pleased to see that your news department's first foray into covering "psychic" claims was balanced with a healthy dose of skepticism, as such seems to be the exception rather than the rule. Your advice to viewers that they should look upon psychics as "a form of entertainment only" was much appreciated.

I am enclosing the two most recent issues of our quarterly newsletter for your enjoyment (hopefully). Your news director is already on our mailing list, but if you would like to be added, please let us know.

Best of success in 1995.

Sincerely,

Gary P. Posner, M.D.
