Dear Mr. [Redacted],

Please forgive this delayed response to your letter of July 23, in which you "challenge" us regarding your claim to be half-alien.

Should you be willing to pay for the cost of any medical or other testing required to confirm your claim, TBS would be agreeable to reimbursing you immediately should the tests confirm your claim. In addition, we would promptly award you with our "\$1,000 Challenge" prize at a press conference. I would personally guarantee any funds in excess of the TBS treasury's reserves.

Keep in mind that the more simple the claim (for example, "A simple blood test will confirm that my blood contains 50% human and 50% non-human hemoglobin, and a chest X-ray will confirm that I have three hearts."), the easier to prove. Any such claim must be able to be proven unambiguously in order for the "challenge" to be carried out.

If you are interested in working with us to formulate a binding contract detailing the nature of the claim to be proven, and the nature of the evidence required to substantiate it, please let us know. We would welcome your submission of a proposal of your own to begin the negotiations.

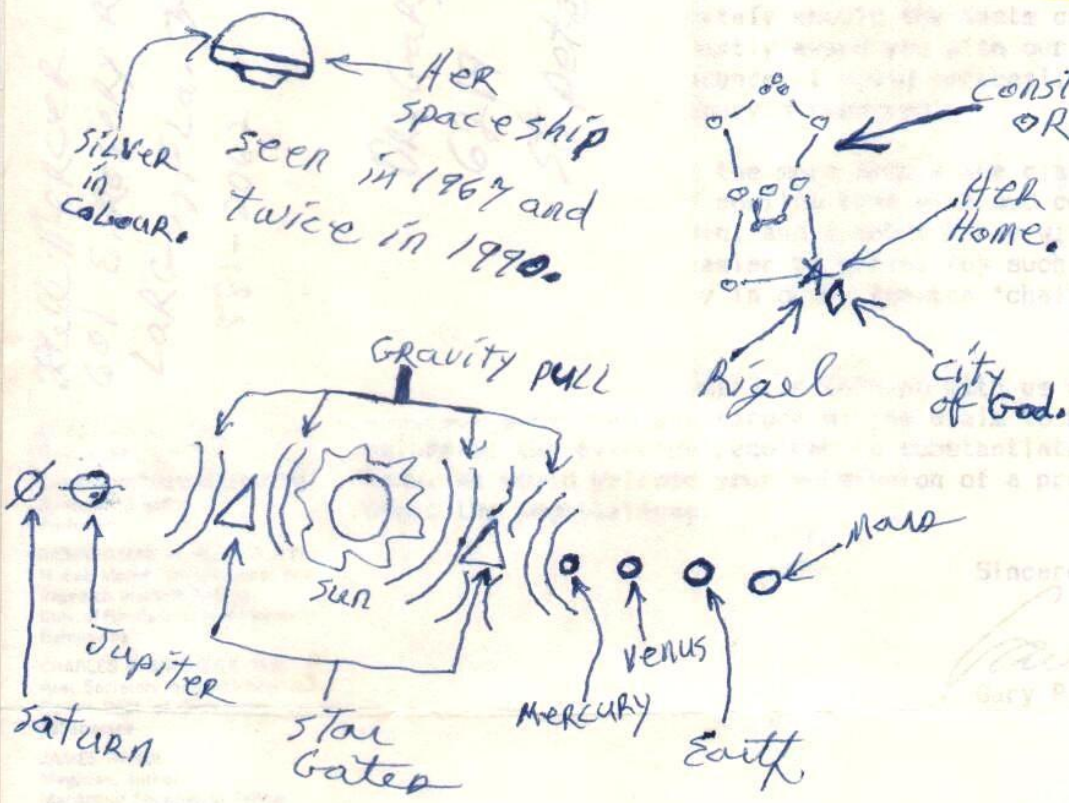

Sincerely,

  
Gary P. Posner, M.D.

Dear DR. POSNER, on Thursday, March 30, 1989,  
 my UFO story was printed in the "Sunrise" News Paper  
 on page 13, That is were I got your Address.

I have decided to Challenge you!  
 I have had 42 ufo (spaceship) sightings, and out of the  
 42 sightings I have had 6 close encounters.

My first contact was in 1967 when I was 5 years  
 old. I met a Alien woman, with long blonde hair,  
 and blue eyes.

I claim to be  
 Kin to her,  
 Because I  
 claim to be  
 half human,  
 and half Alien!

Sincerely,  
 Gary P. Posner
